File No. 250-05

Subject.

Repairs to the Ganapati Devaru temple at Sagar

From

The Deputy Commissioner, Shimoga District.

No. 1019/88 Dated 15th May 1906.

The Deputy Commissioner reports that Ganapati Devaru temple at Sagar is an important Muzrai Institution and that it is in a dilapidated condition and that the rafters, rafters &c have all been eaten away by white ants and that the Estimate contains only the items that are found necessary for repairing the old temple. He therefore submits for sanction an Estimate amounting to Rs 2495, the charge being proposed to be met as follows:—.

Rs 1458-3-2 from the funds available at the
" 1036-12-10 credit of the Institution
Rs. 2495-0-0 from State Grant

File No. of Muzrai Secretariat.

The Ready money Inam Register shows that this temple enjoys a cash grant of only Rs 4-6-0 per annum. What land endowments it has is not stated in the Dy Comrs letter. It is simply said that the temple is a "major" institution.

May the Dy Comrs be asked to furnish details on the above points, and if the temple has large land Inams endowed to it, why they should not be temporarily placed under attachment in accordance with the standing orders of the Department, considering that the temple requires Rs 400 for repairs

Submitted for orders

Note Continued

An enquiry was made of the Deputy Commissioner with his Mis No 5506 Dy 25th May 1906. He states that the temple is in the enjoyment of a cash Grant of Rs. 4-6-0 + Malnad cash Grant of Rs 75-2-0 per annum together with the main lands &c The main lands yield about Rs. 180/- a year Rs 2-3-10 per annum is said to be and there is an expenditure of Rs 259-8-0 for the establishment and other charges. ~~leaving a balance of Rs 2/ nearly for the annual repairs of the temple~~ Though the condition of the grant is only for rendering daily and extraordinary services in the temple, the authorities of the temple tried and their utmost to secured a Sum of Rs. 1458-3-2 by effecting savings from various sources with a view to meet the cost of the repairs. Under these circumstances, the Dy. Commissioner reports that the main lands in question

would a sum of Rs 1458-3-2 realized as interest on Govt. of India Pro-notes

should not be temporarily placed under attachment. The temple being an important one, the Deputy Commissioner solicits sanction for an Estimate for Rs 2495/- the charge being proposed to be met as follows:

Rs 1458-3-2 from the funds of the Institution
1036-12-10 from State Gr
Rs 2495-0-0

Submitted for orders

Rs
5/7/06

Considering that the temple is an old and important institution, and that the temple authorities have managed to save a considerable sum notwithstanding the small income, I am of the humble opinion that the contribution proposed for out of the State Grant, viz, 1036-12-10, may be sanctioned and the work ordered to be executed in an efficient manner under the personal supervision of the Tahsildar.

5-3
6-7-06.

This is an important temple in Sagar town. The Estimate for its repairs may be sanctioned, a part of it viz Rs 1036-12-10 being met from the State grant. The Mutwad. gets very little benefits from the Muzrai State grant.

Submits herewith for Sanction a plan and an estimate in duplicate amounting to Rupees 2495 together with the Report of the Assistant Engineer Sagar Sub Division for repairing the temple of Maha Ganapathi Devaru at Sagar

No 1019/88 Ex 4

Deputy Cor
Shimoga District

No Office

Dated 15th May 1906.

From,

M. S Narayana Rao Esqre
Deputy Commissioner
Shimoga District

To

L Krishnaswamy Rao Esqre
Secretary to the Government
Mysore Dept
Bangalore

Sir,

I have the honour to submit herewith for Sanction a plan and an estimate in duplicate amounting to Rupees 2495 together with the Report of the Assistant Engineer Sagar Sub Division received from the Executive Engineer Shimoga Division for repairing the temple of Maha Ganapathi Devaru at Sagar which is an important Mayor Mysore institution

2 There is only a su

of Rupees 1438-3-2 at the credit of this institution on 31st March 1906 as per certificate furnished by the Shimoga District Treasury officer underneath the enclosed estimate and that the balance of Rupees 1036-12-10 is wanting to meet the estimated cost.

3. The estimate contains only the items that are found necessary for repairing the old temple. Of some of the jungle wood brenciumers, rafters, reepers etc of the existing roofing of the temple are reported to have been eaten up by white ants and also broken as will be seen from the Assistant Engineers report enclosed, early execution of the repairs to the building as estimated seems to be necessary.

4- The provision

old temple is a matter of great importance. I therefore beg to request you to kindly move the Government for sanctioning from State funds a grant of Rupees 1036-12-10 (which is the amount wanted to make up the estimated amount).

I have the honor to be
Sir,
Your most obedient Servant

Manager
Deputy Commissioner
Shimoga District

Report to accompany the estimate for repairing the Ganapati Temple in Sagar.

References

Executive Engineer's Memo No: 181 dated 28th April 1905

The temple is enclosed on all sides by Verandahs with tiled roofing excepting the eastern side where the Mussjid forms the boundary. The verandah on the western side is roofed with Mangalore tiles. The existing roofing of the temple proper in front of the Garbha gudi and of the front & rear sides is of country tiles and it is proposed to renew them with Mangalore tiles and teak wood battens. Of course provision has been made newly for such of the rafters and battens that are eaten up by white ants and otherwise found useless and also for jungle wood case board. Three new doors are required, one for the main entrance & the other two for the two side rooms in front and gravelling is provided to make up the unevenness of the flooring of all the Verandahs. Other necessary items are also included as detailed in the estimate.

Despatched

Received

General No. 5506.
No.

Enclosure No. 4

Her Letter no 1019/88
dt 15th May 1906 submitting
for sanction an Estimate
amounting to Rs 2495 (Rupees)
for repairing the Ganapati
Devaru temple at Sagar

With reference to the
above has the honor to
state that from the
Cadjan Money Gram Register
it is observed that the
temple enjoys a cash
grant of Rs 4-6-0 per
annum. Whether (or) the Institution
endowments it owns — is not stated in the Letter under
acknowledgement.

2. The Dy Commr is requested to report whether the temple has any Inam lands and if so why they should not be temporarily placed under attachment in accordance with the standing orders of the Dept. considering the fact that the temple requires repairs ~~as it is a neglected condition.~~

3 The Encls are returned.

MYSORE GOVERNMENT
5613

1905 06

From. M S Narayan Rao Esqre
Deputy Commissioner
Shimoga District

To, L Anantaswami Rao Esqre
Secretary to the
Government of Mysore
Judicial Department
Bangalore

Dated 25th June 1906.

No 1204/118 Encl: 4+1

His docket No: 5506 of
25th May 1906 requesting to
report whether the Isaka Ganapathi
temple at Sagar is endowed with
any inam lands &c

Adverting to the above,
has the honour to state that
the total annual receipts of
temple from various sources

as

as detailed in the margin

is Rs 261-11-10 and it is being devoted as follows.

On account of Establishment Rs 186-4-0

do of Contingent charges, Viz Salary & Table and Hechulekle Rs 73-4-0.

Ready money cash grant Rs	4-6-0
Inalud Cash grant Rs	75-2-0
Estimated net income of inam and Govern- -ment lands de- -ducting the assess- -ment of Rs 260/- to be paid thereon Rs	180-0-0
Rs	259-8-0.
Add interest on Govt pro-notes	2-3-10
Rs	261-11-10

It will thus be seen that a small saving of Rs 2-0-0 out of these proceeds could be expected to be effected annually towards the repairs of the institution.

2 The Amildar of Sagar Taluk reports that the institution is in enjoyment of Inam and Government lands as annexed overleaf. But in the Supplemental Quitrent Register of Sagar Taluk received in this Office with Inam Superintendent's docket No 71 of 3rd October last it is shewn that the institution

enjoys

endorsed with the following inam lands in the village of Iranasa in the Sagar Taluk:-

Survey Nos.		Extent	Assessment
4	Dry	24-35	9-8-0
5	do	12-15	5-0-0
6	do	18-16	7-8-0
15	Dry & Wet	0-16, 13-10	48-0-0
16	do	0-12, 13-35	50-0-0
18	Wet	3-25	13-0-0
20	Wet	9-4	33-0-0
21	Garden	0-28	9-0-0
22	Wet	13-15	48-0-0
23	Dry & Wet	0-8, 13-33	43-0-0
24	do	0-37, 4-12	11-0-0
Total		129-21	Rs 277-0-0

† The extent of this number is shewn as 24 acres & 35 guntas in the Quit-rent register, but on the Khewat maintained in the Taluk its extent is shewn as only 4 acres and 35 guntas.

Whereas the Amildar of Sagar Taluk reports in his Mulla No. 246 of 31st December 1905 that Survey Nos 4 and 6 (Dry) contain an extent of 23 acres and 11 guntas assessed at Rs 17-0-0 are Government Banjar lands at present; and that Survey Nos 20-22-23 and 24 are Government lands and not Inam lands standing in the Khata of Inaka Ganapathi Devaru of Sagar and that the other Survey Nos are Inam lands

endorsed

endowed for Puja &c. Services.

3 Though the condition of the grant is only for rendering daily and extraordinary services in the temple vide entries in Register of Dharmic institutions endowed with Inam lands and Quitrent Register the temple authorities have tried their utmost and secured a sum of Rs 1458-3-2 by effecting savings from various sources long time since with a view to meet exigencies. Hence the Inam lands could not be temporarily placed under an attachment

4. This is an old and famous Dharmic institution, situated in the centre of Indian group of Dalits and its preservation is therefore a matter of great importance.

5. Under these circumstances it is requested that the Com-

Government may be moved to
sanction from State Funds a
grant of Rs 1036-12-10 being the
amount somewhat equal to
the savings of the temple effects
up to date.

6 The plan and Estimate
are therefore resubmitted.
